## 1. Global Presence Overview

---

Meridian & Associates LLP operates from 127 offices in 43 countries, supported by 11 global delivery centers and 3 innovation labs. Our geographic footprint enables us to serve multinational clients with local expertise and global consistency, while our delivery network provides scalable capacity and cost-effective resourcing options.

The firm's international expansion has been deliberate and organic, supplemented by strategic acquisitions. Since 2018, Meridian has completed 14 acquisitions to strengthen capabilities in high-growth markets and emerging technology domains, including the 2023 acquisition of Helm Digital (a 900-person digital engineering firm based in Berlin) and the 2024 acquisition of Nuvance Analytics (a 450-person AI/ML consultancy headquartered in Toronto).
